Call to Worship

It is wonderful when all people live in unity!

When change comes,

We share our discomfort.

When the sea seems to swallow us,

We call on God,

We make cautious steps.

And venture into deeper waters with trusted friends.

We discover refreshing currents,

And celebrate new possibilities.

Let us move boldly to the other side that awaits.

Prayer of Gathering

***Hymn** MV30 "It's a Song of Praise to the Maker"

Prayer of Confession

Sometimes we are like David,

and sometimes Goliath.

Forgive us for our two-sided nature.

We face the future with conviction.

We cling to the past with comfort.

We adapt to our own as family,
yet expect newcomers to adapt to us.

As people of paradox,

we long for oneness with ourselves and others,

with Christ and creation,

so that justice and love may flow freely.
